

Student Code of Conduct

At St Patrick's Primary School we want to feel **happy, safe, motivated, respected** and **included**.

1	In order to feel happy we will show empathy and be polite to others.
2	In order to feel safe we will be careful with our words and our actions towards others
3	In order to feel motivated , we will contribute to, engage and interact with our learning
4	In order to feel respected we will treat other people fairly and see the unique gifts and talents we all have to offer.
5	In order to feel included we will be welcoming, see the value in everyone and stand up for each other.

When someone isn't feeling this way, or there is a conflict, we will do what we can to help ensure the person feels safe and supported at school. We will show genuine interest and concern for them and offer them suggestions or possible solutions to their problem. This may include talking with them, including them during playtime, teaching them a tool or strategy to use or getting a trusted adult or older student to come and assist them.
